

new course announcement winter 2014

me337 mechanics of growth

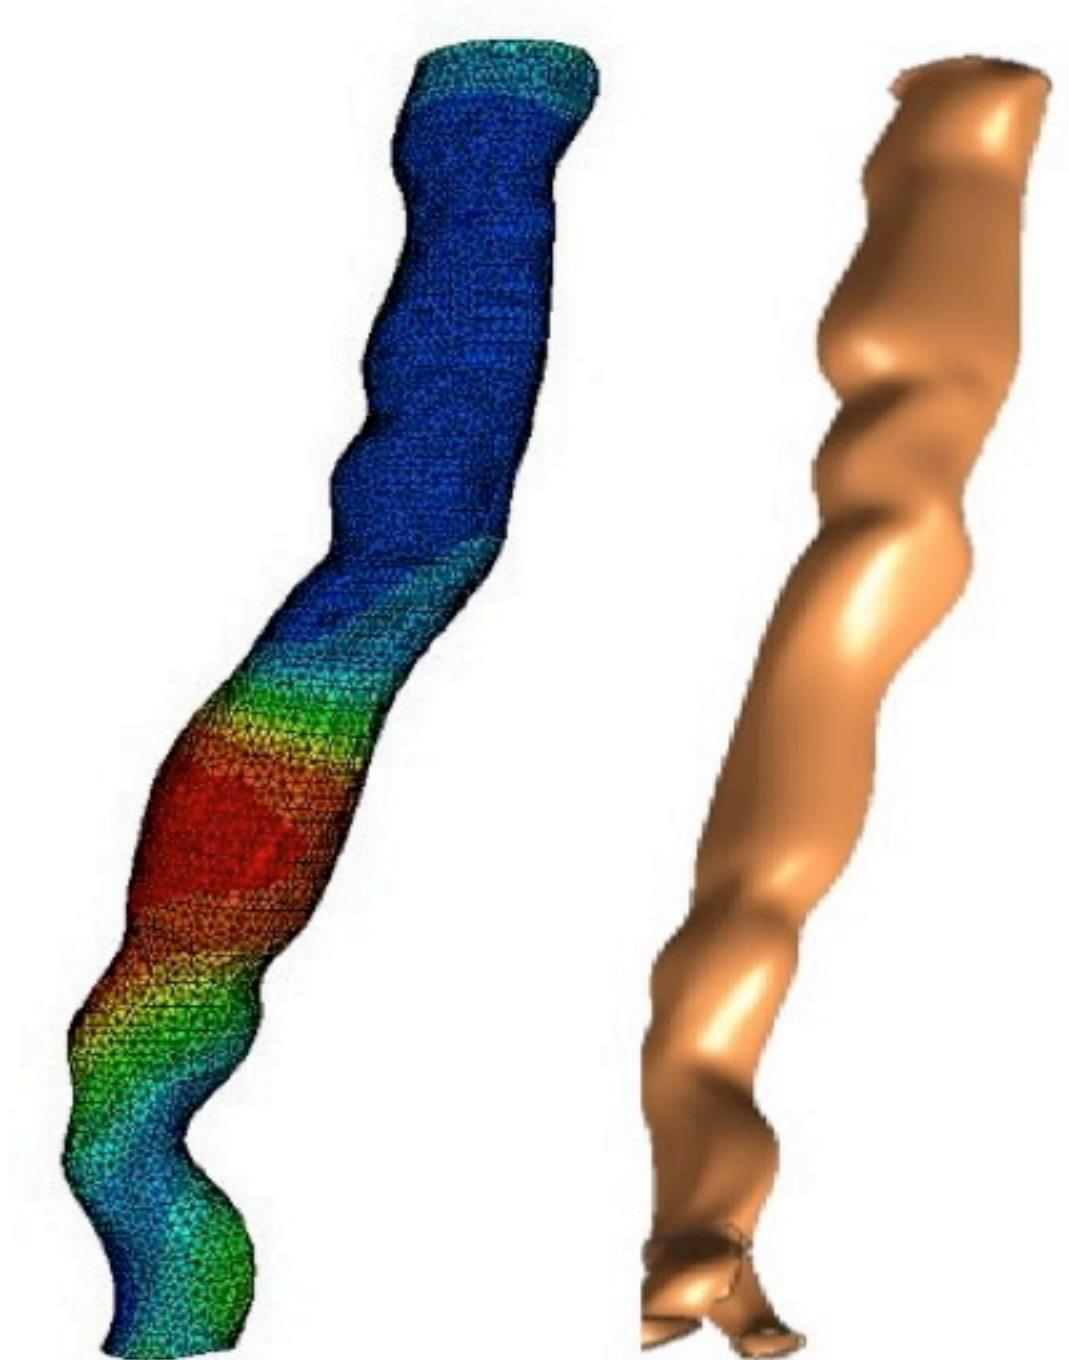

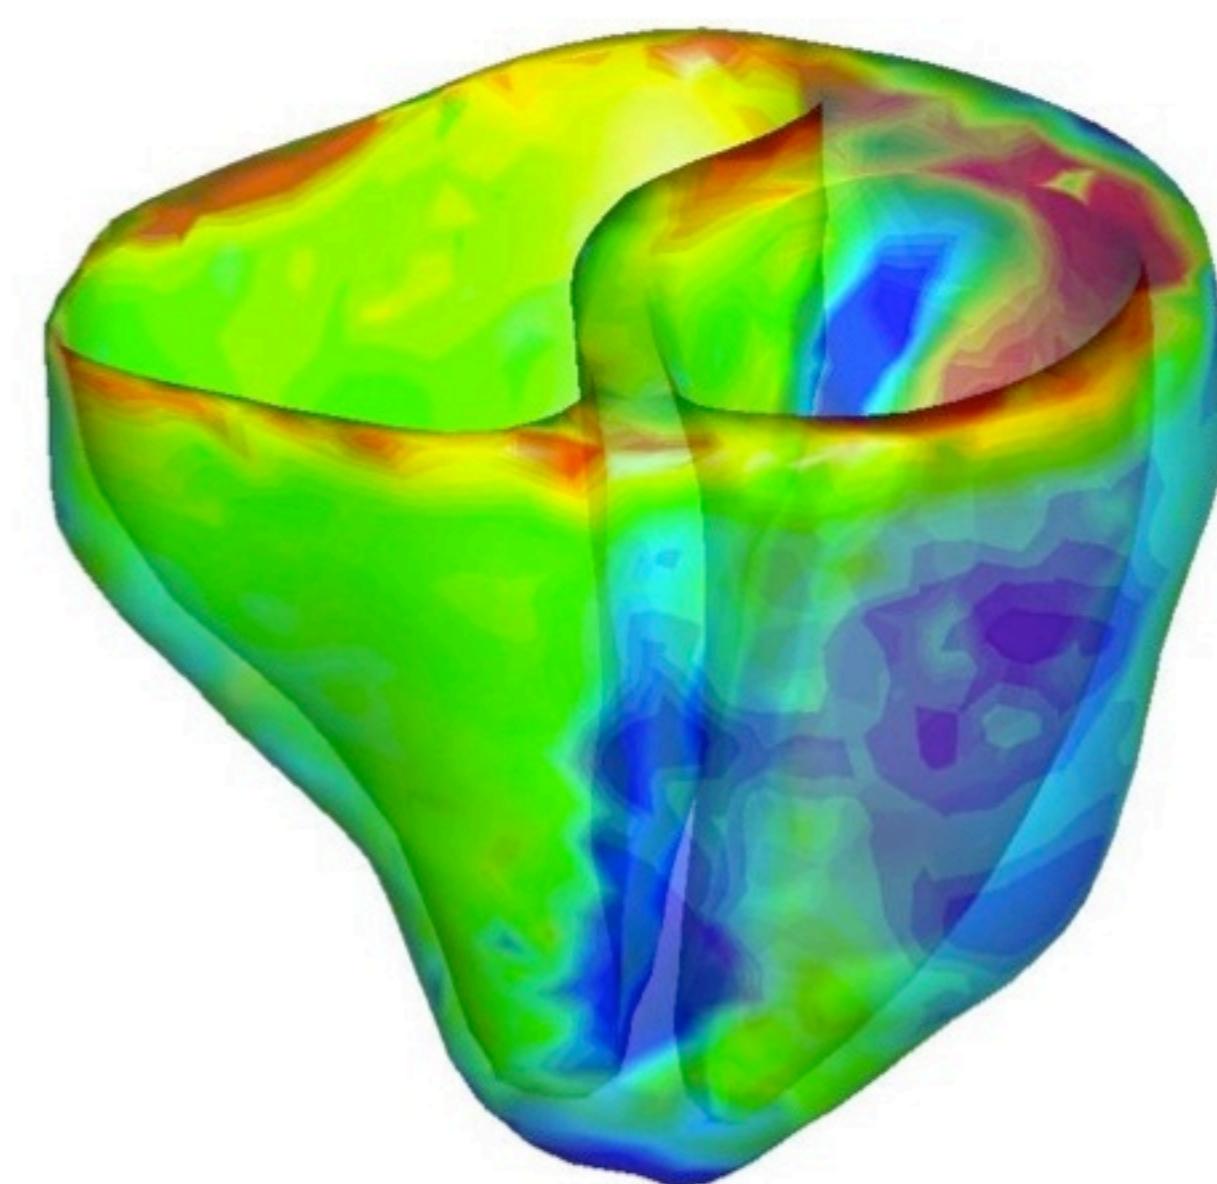

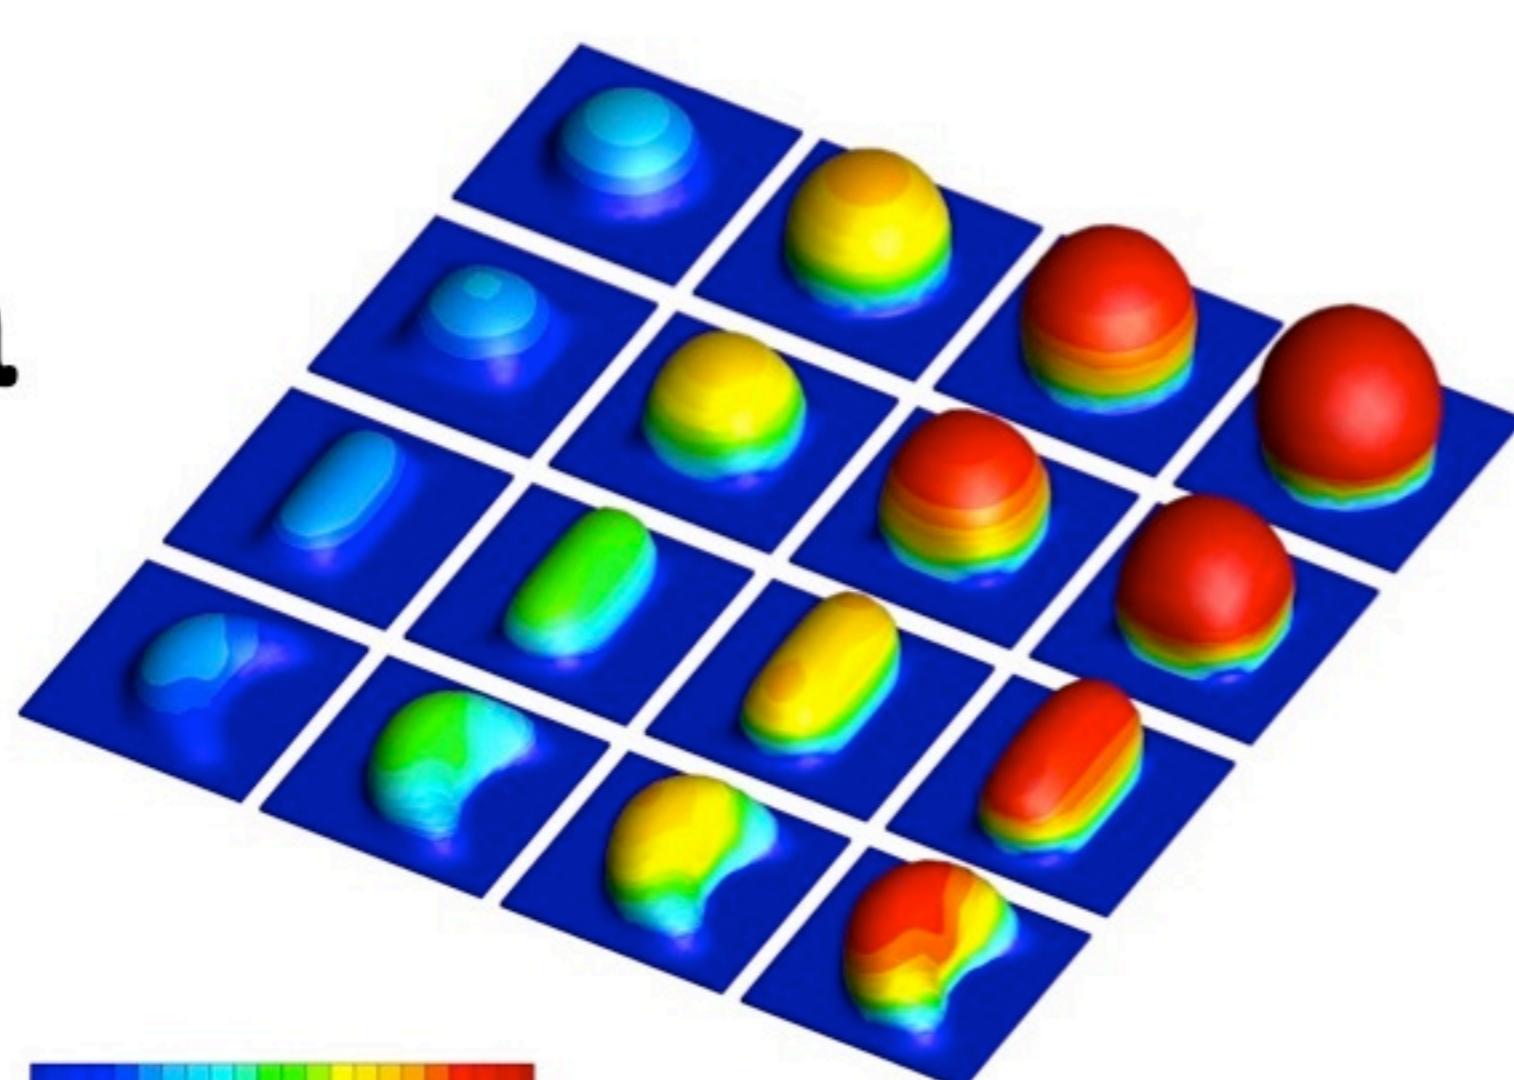

a project-based course on growing tissues and scientific writing

**winter 2014
me 337
tue / thu
11:00 - 12:15
530/127**

**kinematics of finite growth
balance equations
growth laws
finite elements**

**bone growth
tumor growth
arterial growth
skin growth
muscle growth
cardiac growth**

class papers from previous final projects
